

ESKAYVIE® PHYTAX®

Life is meaningful again

TRIPLE PUNCH REMEDY FOR

Diabetes •
High Blood Pressure •
High Cholesterol •

Beneficial nutrients from fruits and plants which are rich with antioxidant, anti-inflammation and therapy properties not only for internal complications, but also accelerate the recovery of wounds.

MAIN FUNCTIONS

A powerful combination of natural nutrients from fruits and plants (Phytonutrition) helps to:

- Stabilize and lower blood sugar level
- Smoothen the blood flow
- Provide energy and vigor to the body
- Increase a person's immune system
- Revitalize our DNA to prevent self-degeneration disorder
- Accelerate the recovery of wounds
- Overcome chronic inflammation which causes metabolic disorder
